POSS EASY IMPACT 0119
Dam: POSS ELLUNAMERE 399
POSS ELLUNAMERE 0170

The now deceased \$900,000USD record setting bull at the 2021 Poss Angus, Deadwood had the elite combination of phenotype and EPD profile that changed the marketplace for the value of a straw of semen in the USA. His sire, Poss Maverick sired the \$225,000 top priced bull at the 2021 Texas Angus Bull Sale. Very limited semen came to Australia with only a few studs able to source.

Winchester was the high-selling bull in the 2022 Poss Angus sale and maternal brother to popular sire Poss Rawhide, with a unique blend of growth, carcase, and maternal value. He is a docility and growth improver, he adds extra marbling and ribeye while landing in the top 1% for all Angus Australia selection indexes. Sired by the widely popular and now deceased Connealy Clarity, Winchester stems from a powerful bottom-side pedigree.

Craftsman is the \$500,000USD, top-selling sire from the Spring 2022 Connealy Bull Sale where he was the first Connealy bred bull used in the Connealy herd prior to a bull being sold. A son of well know sire Sitz Resilient out of a Connealy Niobrara daughter, Craftsman's eye catching phenotype and breed character are impressive. He is the leading Sitz Resilient son combining CE, Growth, EMA and %IMF EBV's in Australia.
